## 2010 SAUVIGNON BLANC

### Our Vineyards

"Our family's 190ha vineyard is located in the picturesque and historic Padthaway valley, 300 km south of Adelaide. Our rich, fertile terra rosa soils, environmentally friendly viticulture, low yield and exceptional fruit is how we consistently produce outstanding wines. Small parcels of the highest quality fruit are selected from our family vineyard and handcrafted to create wines with amazing depth of flavour, style and balance..."

David Bryson, 5th Generation.

### Winemaking Notes

Gentle pressing and free run juices create the base of this wine. Traditionally fermented and matured in stainless steel at between 12 and 14-degree celcius to ensure vibrancy of fruit, a small portion receives extended lees contact to add texture and complexity to the palate.

### Vintage Overview

It started out full bore with the usual warm February weather. All our grape varieties started to ripen at the same time making it one of our most compact vintages to date. Vine-balance was carefully monitored, resulting in fruit that demonstrate the vibrancy and fruit-derived characters that we strive for in our wines.

### Tasting Notes

Pale light straw with clear hue. A perfumed nose of gooseberry, citrus peel and hints of fresh cut grass. The palate is clean and zesty, with abundant tropical and citrus fruit flavours. Best consumed young and fresh with a good chill.
